Actions	Budget	Pupils involved	Evidence and Impact
Ensure EVERY child receives outdoor learning with a professionally trained forest school leader to promote wellbeing and opportunities to thrive outside of the classroom. <u>Action Plan Target</u> To work in collaboration with Gin Methley to roll out eco therapy for	£2727.50	ALL pupils.	Forest school promotes self-esteem, creativity, confidence and independence in children. Each child has received at least 20 hours of forest school provision with Gin Methley. Each child has experienced learning at an official forest school site catered to outdoor, experimental learning. Children's wellbeing has been promoted via sessions focusing on mental health. For example, mindfulness colouring and listening to nature. Every child has been given the opportunity to thrive outside of the classroom because of the different types of skills they've needed to apply to their learning. For example, cooking, building, woodwork, construction and teamwork.

selected children for the academic year 2024/25. <i>(completed July25)</i>			
Provide every child with the opportunity to competently swim 25 meters by the end of KS2. <u>Action Plan Target</u> To find the percentage of Y6 swimmers and display this data on our website.	£400.00	Years 3 & 4 plus top up swimming for all Year 5 & 6 regardless of swimming level.	Ensures children the opportunity to leave school with a vital life skill. <i>Percentage of Y6 swimmers, TBC</i> Every child in KS2 receives the equivalent to at least 5 afternoons of swimming lessons with Teignmouth District Council whether in a one-week block or 5 weeks across the academic year. This allows children the opportunity to leave primary schools with an essential life skill. Introducing children to swimming provides pupils the chance to gain a new hobby or passion which they can continue to build upon.
Provide each child time with expert rugby coaches to build passion for new sports and experience in a variety of invasion sports.	£1476.00	ALL pupils.	Ensures all children (especially in KS2) have a range of experience in a variety of invasion sports. Each child across Kenn Primary School will spend half a term with Exeter Chiefs Community Trust gaining rugby specific skills as well as building upon teamwork, resilience and spatial awareness. This ensures that all children, regardless of ability, have the opportunity to experience success, develop new skills, and foster a positive attitude towards sport and healthy lifestyles.

Key Indicator 5: Increased participation in competitive sport			
Actions	Budget	Pupils involved	Evidence and Impact
Provide ALL KS2 children with the opportunity to participate in competitive sport across Kenn, Cockwood, Kenton and Starcross Primary Schools.	Included in: Dartmoor School Sport Bronze Package (FREE upgrade to gold from Ivy Education Trust). £4800.00	ALL pupils in KS2	Build a love for sport and allows for relationships/connections to be made across wider school communities. Children in KS2 have participated in Trust tournaments in varying sports such as football and multi-sport competitions. KS2 children have built on their skills to work in a team as well as showing great sportsmanship. Competitive sport across the trust schools has given each child the opportunity to build their social skills through mixing with new children from different backgrounds and cultures.
