

ENGLISH

Our final outcome is to create a character description about Scrooge from A Christmas Carol. This half term, we are really focusing on our vocabulary in writing and learning techniques such as the power of 3 to make our writing fantastic.

MATHS

Addition and Subtraction - Unit 2

Multiplication and Division - Unit 3

SCIENCE

Our topic is 'Sound'. We will be taking part in investigations and experiments to explore how sound travels, how sound is created and which materials sound can travel through easily and not so easily.

HISTORY

Our enquiry question is 'What was life like for Victorian children?' We will be analysing sources to decipher how life was different for the rich and poor as well as learn who Queen Victoria was. We will be exploring famous Victorian inventions and Victorian schools and workhouses.

AUTUMN 2 A VICTORIAN CHRISTMAS
