Key Indicator 1: The engagement of **all** pupils in regular physical activity.

Actions	Budget	Pupils involved	Evidence and Impact
Provide ALL children with the Government's 60 minutes of recommended exercise per day across the week. <u>Action Plan Target</u> To begin working towards providing children with more than the Government's recommended 60 minutes of exercise a day ranging in intensity.	Included in: Tyrell Sports package with Andy Tyrell (Teaching Package for Thurs PM and all day Friday) £6781.60 Included in: Katie Whenman Dance (3 half terms, 1 afternoon a week) £2470	ALL pupils.	Children are engaging in 2 hours of PE lessons per week + additional physical activity. Every child participates in 2 hours of PE every week with a physical education expert teacher. Children rotate 2 PE sessions with Andy Tyrrell or 1 PE session with Andy Tyrrell and 1 dance session with Katie Murray each half term. This promotes the Government's initiative to defeat childhood obesity through fun, engaging physical activity weekly. Vigorous intensity.

Class teachers to ensure daily dancing and physical activity during movement breaks throughout the day. <i>(completed July25)</i>	£0.00	ALL pupils	Children are engaging in regular physical activity in all areas of the curriculum and not limited to PE lessons. Children to memorise and become familiar with a variety of dances and movement activities to get their brains and bodies working hard. This allows all children to remain active throughout the school day and ensures they meet the Government's recommended 60 minutes of exercise per week. Mild/Moderate intensity.
Children to run the daily mile at least X3 per week taking into consideration curriculum requirements in the afternoons. <i>(working towards)</i>	£0.00	KS1 and KS2 pupils.	Children are building their stamina and fitness levels. Children have the opportunity to challenge themselves to run an extra lap each time as well as begin to understand how their bodies feel when they are exercising. Where possible, this is to be completed all together to create a sense of community and encouragement for weaker runners. Children will have a sense of pride when they push themselves as well as learn how to pace themselves. Mild/Vigorous intensity.
Primary Sports PE Coach – 2 Days Cover	£255	ALL pupils.	NA.

Key Indicator 2: The profile of PE and sport being raised across the school as a tool for whole school improvement			
Actions	Budget	Pupils involved	Evidence and Impact
Provide ALL pupils with the opportunity to participate in dance lessons with an expert dance teacher. <u>Action Plan Target</u> Work with Katie to build the sense of dance is for every pupil and to break the narrative that dance is generally seen as a 'girls sport'. With this, we hope to see a range of children seeking to dance outside of school. <i>(working towards)</i>	Included in: Katie Whenman Dance (3 half terms, 1 afternoon a week) £2470	ALL pupils	<u>Dance in schools promotes a sense of community, communication between children and builds collaboration and focus skills.</u> Katie Whenman works with every child to build on their confidence, wellbeing and ability to compose, perform and appreciate a variety of dance styles. ALL pupils worked collaboratively with each other and Katie to learn and perfect a range of dances for our summer show. This allowed for children to achieve a sense of community and teamwork as well as the chance to feel proud of their school when performing to friends and family building on their wellbeing and self-esteem. Vigorous intensity.
Promote groups of children having the chance to take part in games festivals with other school communities.	Included within: South Dartmoor Sports Package. £5100	As many pupils as possible within selected groups.	<u>Opportunities for PPG, SEN and GDS children are given the tools to thrive in sport.</u> PPG, SEN and GDS pupils will be provided with the support, opportunities and resources needed to thrive in sport through inclusive teaching, targeted interventions, extracurricular clubs, competitive opportunities and access to specialist equipment where required. This will increase participation,

<u>Action Plan Target</u> To try and attended 1 sports festival per half term. <i>(working towards)</i>			confidence and skill development, reduce barriers to engagement, and ensure all pupils can achieve success and make sustained progress from their individual starting points, while enabling the most able pupils to further develop and excel in sport. Mild/Moderate/Vigorous intensity
Raise the profile of PE across the school by attending events out of school as well as bringing visitors in to promote this. <u>Action Plan Target</u> Roll out a tracking system to monitor children attending events highlighting those with PPG and SEN ensuring equal opportunities for ALL pupils. <i>(recreate for Sept 26)</i>	Included in: Dartmoor School Sport Bronze Package (FREE upgrade to gold from Ivy Education Trust). £5100	ALL pupils (not including EYFS).	<u>Offering PPG, SEN and ALL pupils opportunities to thrive in areas outside of the curriculum and out of the classroom.</u> Aim to send 15 children across KS1 and KS2 are on a PE event organised by Jack Baxter (DSSP) once every half term. This continues to build a sense of community and teamwork when competing against other schools but also focuses on demonstrating great sportsmanship and support for children from competing schools. Invite visitors into school to promote the profile of PE including athletes, Olympians and general school sport incentive companies.

Key Indicator 3: Increased confidence, knowledge and skills of all teaching PE and sport

Actions	Budget	Pupils involved	Evidence and Impact
Ensure each class has 1 session per week with Andy Tyrrell every half term. <i>Action Plan Target</i> PE lead (Phoebe Laing) to work with Andy Tyrrell to support class teachers in delivering PE via sharing good practise videos and expert guidance. (working towards)	Included in: Tyrell Sports package with Andy Tyrrell (Teaching Package for Thurs PM and all-day Friday) £6781.60	All class teachers.	Ensures all teachers are competent and knowledgeable when teaching PE and feel as though they could deliver a session independently. No evidence as of yet as Andy Tyrrell is being used to support teacher PPA cover.

Key Indicator 4: Broader experiences of sports and wider activities for **all** pupils

Actions	Budget	Pupils involved	Evidence and Impact
Provide every child with the opportunity to competently swim 25	£608	Years 3 & 4 plus top up swimming for all Year 5 & 6 regardless of swimming level.	Ensures children the opportunity to leave school with a vital life skill. <i>Percentage of Y6 swimmers, TBC</i>

meters by the end of KS2. <u>Action Plan Target</u> To find the percentage of Y6 swimmers and display this data on our website. (TBC)			Every child in KS2 receives the equivalent to at least 5 afternoons of swimming lessons with Teignmouth District Council whether in a one-week block or 5 weeks across the academic year. This allows children the opportunity to leave primary schools with an essential life skill. Introducing children to swimming provides pupils the chance to gain a new hobby or passion which they can continue to build upon.
Provide every child with 4 afternoons of forest school.	Nature Capers £3976 £2320.60 parent funded.	ALL pupils	<u>Ensures every child has the opportunity to thrive in an environment which teaches like skills and enjoy an out of classroom learning environment.</u> The intended impact of Forest School is to develop confident, resilient and independent learners who are willing to take risks and embrace new challenges. Through regular outdoor learning experiences, pupils will improve their problem-solving, teamwork and communication skills while developing a deeper understanding of the natural environment. Forest School will support pupils' physical and emotional wellbeing, increase engagement in learning, build self-esteem and resilience, and provide opportunities for all children to succeed outside the traditional classroom setting.
Provide children additional forest school session as ECO therapy.	Included in: Nature Capers £3976 £425	1-2 pupils	<u>Ensures children who require AP receive additional time to thrive in an environment which is better suited to their needs.</u>

Key Indicator 5: Increased participation in competitive sport			
Actions	Budget	Pupils involved	Evidence and Impact
Provide ALL KS2 children with the opportunity to participate in competitive sport across Kenn, Cockwood, Kenton and Starcross Primary Schools. (Continuing in Sept26)	Included in: Dartmoor School Sport Bronze Package (FREE upgrade to gold from Ivy Education Trust). £5100	ALL pupils in KS2	Build a love for sport and allows for relationships/connections to be made across wider school communities. Children in KS2 have participated in Trust tournaments in varying sports such as football and multi-sport competitions. KS2 children have built on their skills to work in a team as well as showing great sportsmanship. Competitive sport across the trust schools has given each child the opportunity to build their social skills through mixing with new children from different backgrounds and cultures.
